Title: Molly's Statement

My statement  
I was forceably taken  
to Caina where i was  
tortured at Mesos  
orders. they removed  
my robe and cut and  
pealed squares of my  
skin from my chest  
and carved a dragon on  
my back and at his  
orders the carved a  
pentagram on my  
forhead. he kept  
telling me to tell him  
what i knew and i  
would not. Thoma  
slipped me a recall  
scroll or i would surly  
be dead by now. I still  
bare the mark of the  
pentagram. it was  
magicly sealed on my  
forhead. and it can  
not be removed unless  
by the person who  
ordered it done.
